Code Sections Directly Pertaining To Move (Ch. 123)

123.08 PUBLIC SAFETY. At all times when a building or similar structure is in motion upon any street, alley, sidewalk or public property, the permittee shall maintain flag persons at the closest intersections or other possible channels of traffic to the sides, behind and ahead of the building or structure. At all times when the building or structure is at rest upon any street, alley, sidewalk or public property the permittee shall maintain adequate warning signs or lights at the intersections or channels of traffic to the sides, behind and ahead of the building or structure.

123.09 TIME LIMIT. No house mover shall permit or allow a building or similar structure to remain upon any street or other public way for a period of more than twelve (12) hours without having first secured the written approval of the City.

123.10 REMOVAL BY CITY. In the event any building or similar structure is found to be in violation of Section 123.09 the City is authorized to remove such building or structure and assess the costs thereof against the permit holder and the surety on the permit holder's bond.

123.11 PROTECT PAVEMENT. It is unlawful to move any house or building of any kind over any pavement, unless the wheels or rollers upon which the house or building is moved are at least one inch in width for each one thousand (1,000) pounds of weight of such building. If there is any question as to the weight of a house or building, the estimate of the City as to such weight shall be final.

123.12 OVERHEAD WIRES. The holder of any permit to move a building shall see that all telephone, cable television and electric wires and poles are removed when necessary and replaced in good order, and shall be liable for the costs of the same.

123.13 EXCEPTIONS. No permit or bond shall be required for the moving of any small, one-story building not over 12 feet high, such as garages, accessory buildings and the like, when such buildings do not exceed 300 square feet of floor area and have one dimension not exceeding 12 feet; provided, such building shall be loaded upon a pneumatic-tired truck or a truck and not more than one pneumatic-tired two-wheel trailer. Before moving any such building, the person moving the building shall notify the Police Chief or the police officer on duty, and shall use the highest degree of care so that no damage results to any person or property. In case damage to persons or property results from such moving, the City shall in no case be held liable for such damage.
