FOR IMMEDIATE RELEASE

September 30, 2022 – CARLISLE, Iowa – Night closures on Scotch Ridge Road from Hwy 5 to Bluestem Drive are necessary to complete utility relocation.

As part of the Scotch Ridge Road Improvement project, the City of Carlisle has announced night closures from Hwy 5 to Bluestem Drive on Wednesday October 5, 2022, and Thursday October 6, 2022. For motorists' safety and to minimize traffic impact, work will be completed during evening hours, 8 pm to 6 am. Starting at 6 pm on both evenings, motorists should expect flagged one-way alternating traffic up until closure at 8 pm.

Construction equipment will be operating along the closed route during these hours, and noise is expected to be disruptive to the local area. Bluestem Drive and Scotch Ridge Road South of Bluestem Drive will remain open.

Crossings where utilities have relocated will be temporarily filled with gravel until a topcoat can be paved. Please use caution when driving through this area.

The closure schedule could change depending on the weather. Check carlisleiowa.org or the [City of Carlisle, Iowa Facebook](#) page for the latest information on closures and road conditions.
