Project Update

Project: Scotch Ridge Road Improvement Project

Date: April 28, 2023

Weekly Overview, April 24th – April 28th

- Sternquist installed transition wedges on Stage 4A pavement.
- QTC switched traffic to Stage 4B with the exception of Bluestem
- Reilly began pavement removals for Stage 4B, starting at the Highway 5 tie in while new pavement on Bluestem is curing.
- Reilly graded the SW corner of IA 5 and Scotch Ridge Rd.

What to Expect Next Week, May 1st – May 5th

- QTC will switch Bluestem to one way traffic (one way detour through school)
 - The target for the switch is 9am on Wednesday morning
 - I've included a copy of the press release in the attachment
- Reilly will continue with pavement removals on Stage 4B into Bluestem
- Reilly will import subbase material
- Reilly will work on the Stage 4B Storm Sewer

CARLISLE
THE NATURAL CHOICE

SCOTCH RIDGE UPDATES

Traffic Pattern Update

- One-way traffic on west portion of Bluestem Drive with detour through middle school parking lot
- Utilize Bluebonnet/Juniper/S. 8th detour when possible

One-way traffic during the month of May

Carlisle Middle School

The graphic features an aerial photograph of the Scotch Ridge area. A yellow line highlights the traffic pattern on Bluestem Drive, showing a one-way detour through the middle school parking lot. A callout box points to this area with the text 'One-way traffic during the month of May'. The Carlisle Middle School is also labeled on the map.
